See Michael Bourada, LIVE ON STAGE!

Cue Michael Bourada. He has been involved in magic for over 10 years; he turned professional at the age of 14 and hasn't looked back since. His magic has taken him all over the province; soon the entire country and now he is showcasing his talents in his unbelievable show. He has already stopped in many towns and cities throughout ONTARIO and is continuing his tour with BENEFIT SHOWS, where all proceeds from his show will be going to KRISTOPHERS WISH. "I love to perform, every time I step on stage I feel so alive. This show is not about me however, its about a boy who is in need of a liver, the thought of raising money for such a great cause and a great individual is a real honour."

Michael has amazed thousands of people with his show. He displays very unique and original illusions, all which play with our imagination and dazzle our minds! DREAMS TO REALITY has been displayed at numerous upscale shows, theatres and venues. His shows have a blend of suspense, excitement and humour. Michael combines these effects with choreography such as upbeat music and special effects. Also he thrills his audience by producing beautiful white doves then vanishes them into thin air. Michael's dove routine is one of the main features of his act as it is a fine art and something the audience will remember for a long time! For Ticket inquiry/purchase visit or call IMPERIAL THEATRE 519-332-6591. Tickets are 14.00 each and are available at the door as well.

With flawless precision and an unbelievable presence, this show is one an audience will never forget! Also, any and all media coverage for promotion of the event would greatly appreciated.

Michael is available for any interviews or questions you may have.
